

 **Vendiplas**

**VENDIPLAS** is a leading manufacturer of recyclable, high-quality PVC products. We provide storage and furniture solutions for swimming pools, sport centres, and the food industry. Our products are known for their durability, hygiene, and custom design, delivering lasting value for customers globally.

## **DEPTH-REDUCING POOL PLATFORMS**

**Safer, More  
Accessible Pools**

Vendiplas specialises in custom-built depth reducing pool platforms, perfect for new swimmers, water sports, and increasing pool accessibility. Our platforms are crafted from hygienic PVC that won't rot or rust, providing long-term durability and ease of maintenance. With over 20 years of experience, Vendiplas delivers custom solutions to pools worldwide, including in the UK, Europe, and the USA.

## FURNITURE & STORAGE

Vendiplas offers durable, hygienic poolside benches, trolleys, and storage units made from waterproof, rust-resistant PVC. Designed for high-moisture environments like pools and sports centres, our easy-to-clean, UV-resistant products provide long-lasting, practical solutions. Customisable and available in static or mobile options, our range includes benches, cabinets, and specialised trolleys for equipment and poolside use.

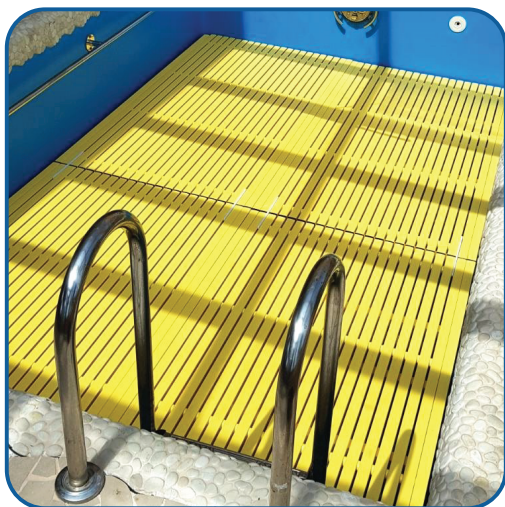

### PRODUCT OPTIONS:

- Benches with under-seat storage (single or double-sided);
- Mobile and Static Shelves;
- Equipment Trolleys;
- Cabinets (with or without locks);
- Multipurpose Trolleys;
- Special Purpose Trolleys;
- Trolleys for Mats and Trampolines;
- Trolleys for Pool Noodles;
- Racks for Balls;
- Children's Furniture.
